THE GALA

TRANS4M is our annual fundraising gala hosted by will.i.am and the i.am.angel Foundation. Each Trans4m gala raises funding for an entire year's worth of programs and scholarships, leading to the direct and tangible result of graduating students and college acceptance.

We bring together a unique group of attendees, aimed at igniting collaborative efforts among businesses, non-profits, and government leaders to transform underserved communities.

Past TRANS4M speakers have included President Bill Clinton; Mayor of Los Angeles, Eric Garcetti; Producer and icon, Norman Lear; Inventor Dean Kamen; CEO of Salesforce, Marc Benioff; Chief Sustainability Officer of Coca Cola, Bea Perez; President of the California Endowment, Robert Ross, plus many other leaders, artists, and innovators.

A musician with long dark hair, wearing a white long-sleeved shirt and vibrant purple and red sequined pants, is captured in a dynamic pose playing a white electric guitar. The musician is positioned in the center of the frame, leaning forward. The background shows a stage with other band members, including a trumpeter and a saxophonist, and a large, modern venue with a high, slanted wooden ceiling. The lighting is dramatic, with warm tones from the ceiling and cooler tones from stage lights. A white rectangular box with a thin border is superimposed over the center of the image, containing the text "PREVIOUS YEARS".
